MAY, 2023 NEWSLETTER

“Mansfield Adult Education is helping me get my education for free and get a good career. I would have never been able to get it without this program, and without the best teachers that keep me motivated!

Everyone was so nice, welcoming, and made you feel like you belong. Classes are available at night and I can get my high school diploma and a certification in a good career. It has opened a lot more doors for me and I'm now in trade school to become a dental assistant.”
